## Spend time with your group easily with Flexible Getaways.

Vacations are better with a group of loved ones and a Flexible Getaways package can get you and your favorite people to paradise stress-free and ready for fun. We'll handle getting everyone there, the hotel or resort where they want to stay and any other particulars, while you and your group can lean back and enjoy each other's company. Plus, the group can **save up to \$250 per booking.**

Flexible Getaway packages are perfect for family reunions, classmate reunions, girlfriend retreats or any other group celebrations. Plus, with this offer, your group may receive special attention from participating properties.
